

Autumn Event 2022

Graduate Student Association

Registration form

Main Event 1

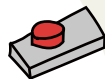

Group Discussions

Get to know each other through discussions with students from other laboratories!

- Make a small group and have a few minutes to introduce yourself & your research!
- Points will be awarded to the person who asks the sharpest questions about the research introduction. High scorers will receive awards and prizes!

Main Event 2

Quiz Contest

A quick quiz competition will be held as a mini-game. Who will win the game!?

11/5 **Sat** 13:00 - 16:30

Place

Faculty of Science Bldg.3
Room No. 264

Registration deadline 11/3
